Plzeň Welcomes SŽDC Student Cup for the First Time

On Thursday 22 June, Higher Vocational School and Secondary Technical School of Electrical Engineering in Plzeň will be for the first time a place of an event for of the sports and educational SŽDC project called Student Cup. On the playground at Koterovská Street 828/85, several hundred pupils from 8th and 9th grades of primary schools from Plzeň and its neighbourhood will meet there. Both knowledge tests and interesting sports competitions will be prepared for them.

Student Cup has been organised by Správa železniční dopravní cesty since 2013. During this time, it has also taken place in Praha, Brno, Hradec Králové and Děčín. With the project, the infrastructure manager tries to find future employees. By an interesting and entertaining form it presents not only individual technical professions at SŽDC but also fields of study of partner high schools in the region.

This day full of fun, competitions and games starts at 8:30 a.m. The announcing of winners awarding cups, medals and valuable prizes to the bests is expected between 12:00 p.m. and 1:00 p.m.
